

## **Election of National President**

In the normal course the National President will hold office for a period of 2 years and will be eligible for re-election.

Nominees for the position of National President must be a natural person over the age of 18 years and be a Nominated Representative or Director of a Business Member and/or a Life Member who is entitled to vote.

Any Business Member and eligible Life Member may nominate an eligible person to be President.

The nomination form must be received by the Returning Officer not less than 50 days prior to the general meeting at which the election is declared.

If more than 1 eligible person is nominated a secret ballot of Business Members and eligible Life Members is conducted over a period of not less than 21 days.

If, following the secret ballot, 2 or more persons have equally the highest number of votes the election is determined by a further vote of Business Members and eligible Life Members at the general meeting.

The International Office is responsible for assisting the Returning Officer to conduct the election.
